10 **SEC. 3. EXCHANGE OF LAND; EQUALIZATION OF VALUE.**

11 (a) EXCHANGE AUTHORIZED.—Notwithstanding the

13 211 of the Federal Land Policy and Management Act of
14 1976 (43 U.S.C. 1712, 1720–21), subject to valid existing
15 rights, and conditioned upon any equalization payment
16 necessary under section 206(b) of the Federal Land Policy
17 and Management Act of 1976 (43 U.S.C. 1716(b)), and
18 subsection (b) of this Act, as soon as practicable, but not
19 later than 2 years after the date of enactment of this Act,
20 the Secretary shall—

21 (1) quitclaim to the conservation district all
22 right, title, and interest of the United States in and
23 to the public land, and any such portion of the pub-
24 lic exchange parcel as may be required to equalize
25 the values of the lands exchanged; and

1 (2) accept from the conservation district a con-
2 veyance of all right, title, and interest of the con-
3 servation district in and to the exchange land, and
4 any such portion of the non-public exchange parcel
5 as may be required to equalize the values of the
6 lands exchanged.

7 (b) EQUALIZATION PAYMENT.—To the extent an
8 equalization payment is necessary under section 206(b) of
9 the Federal Land Policy and Management Act of 1976
10 (43 U.S.C. 1716), the amount of such equalization pay-
11 ment shall first be made by way of in-kind transfer of such
12 portion of the public exchange parcel to the conservation
13 district, or transfer of such portion of the non-public ex-
14 change parcel to the United States, as the case may be,
15 as may be necessary to equalize the fair market values

22 change parcel, as the case may be, shall be credited
23 against any required equalization payment. To the extent
24 such credit is not sufficient to offset the entire amount
25 of equalization payment so indicated, any remaining

1 amount of equalization payment shall be treated as fol-
2 lows:

3 (1) If the equalization payment is to equalize
4 values by which the public land exceeds the exchange
5 land and the credited value of the non-public ex-
6 change parcel, conservation district may make the
7 equalization payment to the United States, notwith-
8 standing any limitation regarding the amount of the
9 equalization payment under section 206(b) of the
10 Federal Land Policy and Management Act of 1976
11 (43 U.S.C. 1716). In the event conservation district
12 opts not to make the indicated equalization payment,
13 the exchange shall not proceed.

14 (2) If the equalization payment is to equalize
15 values by which the exchange land exceeds the public
16 land and the credited value of the public exchange
17 parcel, the Secretary shall order the exchange with-
18 out requirement of any additional equalization pay-
19 ment by the United States to the conservation dis-
20 trict.

21 (c) MAP AND LEGAL DESCRIPTIONS.—As soon as
22 practicable after the date of the enactment of this Act,
23 the Secretary shall finalize a map and legal descriptions
24 of all land to be conveyed under this Act. The Secretary
25 may correct any minor errors in the map or in the legal

1 descriptions. The map and legal descriptions shall be on
2 file and available for public inspection in appropriate of-
3 fices of the Bureau of Land Management.

4 (d) COSTS OF CONVEYANCE.—As a condition of con-

10 641), shall not apply to the public land and any pub-
11 lic exchange land transferred under this Act.

12 (2) The exchange of lands under this section
13 shall be subject to continuing rights of the conserva-
14 tion district under the Act of February 20, 1909 (35
15 Stat. 641), on the exchange land and any exchanged
16 portion of the non-public exchange parcel for the
17 continued use, maintenance, operation, construction,
18 or relocation of, or expansion of, groundwater re-
19 charge facilities on the exchange land, to accommo-
20 date groundwater recharge of the Bunker Hill Basin
21 to the extent that such activities are not in conflict
22 with any Habitat Conservation Plan or Habitat
23 Management Plan under which such exchange land
24 or non-public exchange parcel may be held or man-
25 aged.

1 (b) FLPMA.—Except as otherwise provided in this
2 Act, the Federal Land Policy and Management Act of
3 1976 (43 U.S.C. 1701, et seq.), shall apply to the ex-
4 change of land under this Act.

5 **SEC. 5. CANCELLATION OF SECRETARIAL ORDER 241.**
